And come and join the Commissions on Communication, Mobilization, Resources, Methodology, etc. The contributions of your social organization are fundamental for the success

What will the event be like?

of this process.

- Day 1: World March for Justice, Democracy and Good Living.

- Local, virtual and on-site activities - where possible - in different territories around the world. Day of concrete actions, with stimulus to artistic and cultural manifestations as well.

- 2nd, 3rd and 4th days: Webinars about two or three hours a day (organized by the Virtual WSF Facilitation Group), combined with an "open" space of self-organized activities

The intense political and organic revitalization of the Forum process.

The International Council of the WSF met in Porto Alegre at the end of January this year. Since then it has held four virtual meetings, three global meetings of the Extended International Council, two meetings with organizations of the Collective Facilitators of Thematic, Regional and National Forums and a Meeting with Global Networks.
